The screenshot shows a web-based interface for selecting a web camera. The window title is "iViewRecorder2 20160502". The main heading is "2 Choose Web Cam". On the left, there are three numbered steps: "1" (checked), "2" (current step), and "3". The first step is "Record voice, not video." with a checked radio button. The second step is "Sony Visual Communicatio" with an unchecked radio button. Below these is a "VIDEO QUALITY" section with three radio buttons: "Low", "Medium", and "High". The "High" option is selected and marked with a checkmark. Below the video quality options, it says "Recommended: High". At the bottom, there are two buttons: "Back" and "Next".
