THINK SMARTER. EXPRESS VIDEO INTERVIEW.

Introducing iViewXpress Video Interview Solutions

iViewXpress is an automatic online interview system that makes your candidate screening process easy, effective, and efficient. With iViewXpress video profile interview, you can see **candidates' unrehearsed video answers** to your unique questions online at any time from anywhere. You can also invite your hiring team members to review video interviews online and decide the best candidate collaboratively. It is as simple as 1-2-3.

Think Smarter, Choose the Best

Unlike other video interview services, iViewXpress knows your needs and gives you the best video tools for talent acquisition. You can use iViewXpress to launch a video interview website with your own branding in less than 24 hours. You can also record video job ads and give the best employer brand impression to the candidates. Our patent-pending "1-Click Interview" technology enables easy integration with your existing corporate career sites, ATS, and HR systems. And best of all, it gives you the most cost savings too, compared to any other video interview offering. Use iViewXpress to empower both your internal and external recruiters, save time, and enhance the quality of your hires TODAY!
